MAKE TODAY AN EARTH DAY

www.ontario.ca/wastereduction

Turning green? That's healthy.

Recycling saves natural resources, diverts waste from landfills and keeps the world a healthy shade of green.

DID YOU KNOW? In a lifetime, the average North American will throw away up to 600 times his or her adult weight in garbage. That means a 68 kg adult could leave a legacy of up to 40,825 kg of garbage.
